### SHORTHORNS

### POLLED SHORTHORNS

Consigned by 24 Herds

From Four States . . .

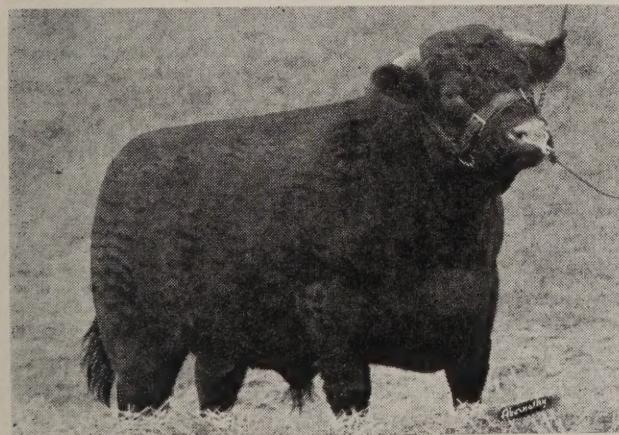

Lynnwood Valiant x. Herd sire in the Siegle herds. A member of the undefeated get-of-sire at the 1955 Illinois, Iowa, and Nebraska State Fairs, and the 1955 International. The Siegels offer his get and service in their four herd consignment.

This is one of the strongest new associations in the Shorthorn industry. Formed last spring as an expansion of the old Southern Illinois Shorthorn Breeders' Association, its membership includes progressive breed promoters in four states.

The semi-annual sales of the Tri-State Association will serve as a further springboard for breed expansion in this important cattle area. Those who attended the first sale last spring were highly pleased with the quality. The cattle sold in a snappy manner at good, although practical, prices. There are cattle in this sale to fit every need . . . and every pocketbook.

An example of the quality offered is shown by the pictures of the four champions at the spring Tri-State sale on the cover of this catalog. There are cattle offered in this sale that can compete in the strongest shows. A number of them are being exhibited this fall at the Illinois State Fair and local fairs. Not all of the cattle in this sale are show cattle. A good percentage of them are of the highly useful unfitted variety, offered with no special fitting or handling. There are an unusually large number of cows with calves at foot in this fall's offering . . . offering opportunities for quick profit.

One of the best indications of the strength of this new association is the large number of consignors that participate. In their first sale there were 20 consignors from three states. In this, their second sale, there will be 24 consignors from four states. We are most anxious to enroll you as a member and want you to know that you will be welcome as a seller as well as a buyer. To join this association simply see any of the officers or consignors.

Leveldale Acumen. Purchased for \$3350 in the 1956 Mathers sale by Charles M. Meacham & Sons. Placed first at Ohio, second at Illinois, fifth in a class of 22 at the International. The Meacham heifer in this sale is bred to him.

Leveldale Concept. The son of Leveldale Basis purchased in the 1956 Mathers sale for \$1275 by Jutkins Bros. Out of the same imported cow that produced Leveldale Climax. The Jutkins are selling a heifer with a long service date to Leveldale Concept.

Typical of the great sires that head the herds of Tri-State members is Collynie Headline X, the new Lloyd Saxe & Son herd bull. He was purchased last year from Wertz Bros., Bancroft, South Dakota, where he achieved a national reputation. Saxe sells a son of Collynie Headline X, a cow with a Headline calf at foot, and a heifer bred to him.
